The DuPage County Health Department advises that eating raw or undercooked meat, poultry, eggs or seafood poses a health risk to everyone, but especially to the elderly, young children under age four, pregnant women, and other highly susceptible individuals with compromised immune systems. Thorough cooking of such animal foods reduces the risk of illness. If you have questions, contact your physician or the DuPage County Health Department at 630-682-7979, extension 7046 or www.dupagehealth.org/food-safety.
